Dear Annales Kinesiologiae Editors,

Please, find enclosed the manuscript »Exercise and the ageing immune system« by Ana Petelin and Nina Mohorko. The manuscript reviews the effects of exercise on the immune system, especially its effects on the aging immune system.

We believe the topic will be of interest to Annales Kinesiologiae readers, as it covers the interdisciplinary topic of kinesiology and immunology.

The enclosed manuscript is original work and is not under review by any other publication.

In hope you will find the manuscript interesting and suitable for publication in Annales Kinesiologiae, I am sending you my best regards.

Sincerely,

Nina Mohorko
